- Relocated exterior or side water faucet to basement level.

- Grade below the rear deck shall include additional exterior material (where applicable, as per elevation).

WARRANTY

LIV Communities is backed by the TARION Home Warranty Program Including:

- Complete Customer Service Program for one full year.
- Two Year Warranty Protection against defects in workmanship and materials including:
 - Caulking for windows and doors preventing water penetration;
 - Electrical, plumbing, heating delivery and distribution systems;
 - Detachment, displacement or deterioration of exterior cladding; and all violations of the Ontario Building Code's Health and Safety Provisions;
- Seven Year Warranty Protection against major structural defects (as defined in the TARION Warranties Plan Act) including:

A defect in workmanship and materials that results in the failure of a load bearing part of the home's structure, any defect in workmanship of materials that adversely affects your use of the building as a home established by the TARION Warranty Plan Act.

Not with standing anything to the contrary set out in this Agreement, the Vendor shall have the right to construct the Dwelling at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications previously reviewed by the Purchaser, necessitating a sunken floor area(s) within the Dwelling, a step or series of steps to or at the front door, side door, rear door, or any door from the garage to the interior of the Dwelling, or the inclusion of landings, decks and railings, and the Dwelling as so constructed is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation to construct the Dwelling. Furthermore, the Vendor shall have the right to substitute other products and materials for those listed in the Schedules, provided that the substituted products and materials are of quality equal to or better than the products and materials so listed or so provided. Marble, wood and all natural materials are subject to natural variations in colour and grain. Ceramic tile and broadloom are subject to pattern and shade variations.
